		<b>Import Permit N<sup>o</sup></b>	
<u>Number</u>	<u>Kind (Species and type; eg bovine semen)</u>	<u>Condition (Fresh/Frozen)</u>	<u>Identification (straw numbers, packing list)</u>
<b>XX TUBES</b>	<b>PORCINE SEMEN</b>	<b>FRESH STRAWS</b>	<b>SEE ATTACHED</b>

I, Dr \_\_\_\_\_, the Centre Veterinarian for \_\_\_\_\_, hereby declare that:

1. The donor boar/s have/has been kept in isolation from other animals for at least 30 days before the collection of the semen.
2. The donor boar/s is/are free from infectious and contagious diseases.
3. The Artificial Insemination Centre where the donor boar/s has/have been kept is free of diseases *Brucellosis*, *Tuberculosis*, and *Leptospirosis*.
4. The donor boar has within 30 days of semen collection been subjected to the agglutination test for *Brucella suis*, agglutination lysis test for *Leptospira Pomona* and the intradermal avian and mammalian tuberculin test, and all tests have been negative.

(Note: For *Brucella suis* a titre of less than 30 I.U is considered negative – the test must include dilutions up 1:320.

For *Leptospira Pomona* less than 50% agglutination in 1:200 dilution is considered negative).

5. If used, all biological diluents are of New Zealand or Australian origin.
6. Prior to export, the container in which the semen is to be transported was sealed:  
Australian Government Seal No: **XXXXXX**
